

For Immediate Release in the U.S. and Canada

Premier Wraps Uses Mutoh for Mitsubishi/Subaru Job

San Bernardino, CA (November, 2011) – Premier Wraps, a custom design and install service for vehicle wraps, recently designed and wrapped a courtesy shuttle vehicle for San Bernardino Mitsubishi and Subaru. Premier Wraps used their Mutoh ValueJet 1604-64” printer to complete the job.

Wanting to create an interesting and eye-catching design, Premier Wraps designed the wrap two sided. One side of the car is red to advertise for Mitsubishi, the other blue for Subaru.

Using the Mutoh ValueJet 1604-64” printer and Avery Dennison’s 1005 EZ RS Supercast and DOL 1060 laminate, the job was printed and installed in a total span of 10 hours.

“Our Mutoh printer has been a work horse,” shares Matt McDonald, owner and president of Premier Wraps. “We’ve literally printed thousands of square feet over the years and it’s still going strong with the same print quality. If you’re in the market for a printer, I highly recommend the Mutoh. You won’t be disappointed.”

Premier Wraps is a custom design and wrap installation company based out of Fontana, California. Matt McDonald has owned and operated Premier Wraps since 2004.
